

# Comparing Bavarian Neighborhoods and Cities

A Coursera project

# Introduction

- Buy house in Munich
- Munich is expensive
- Are there areas there are close to Munich and have a similar neighborhood?

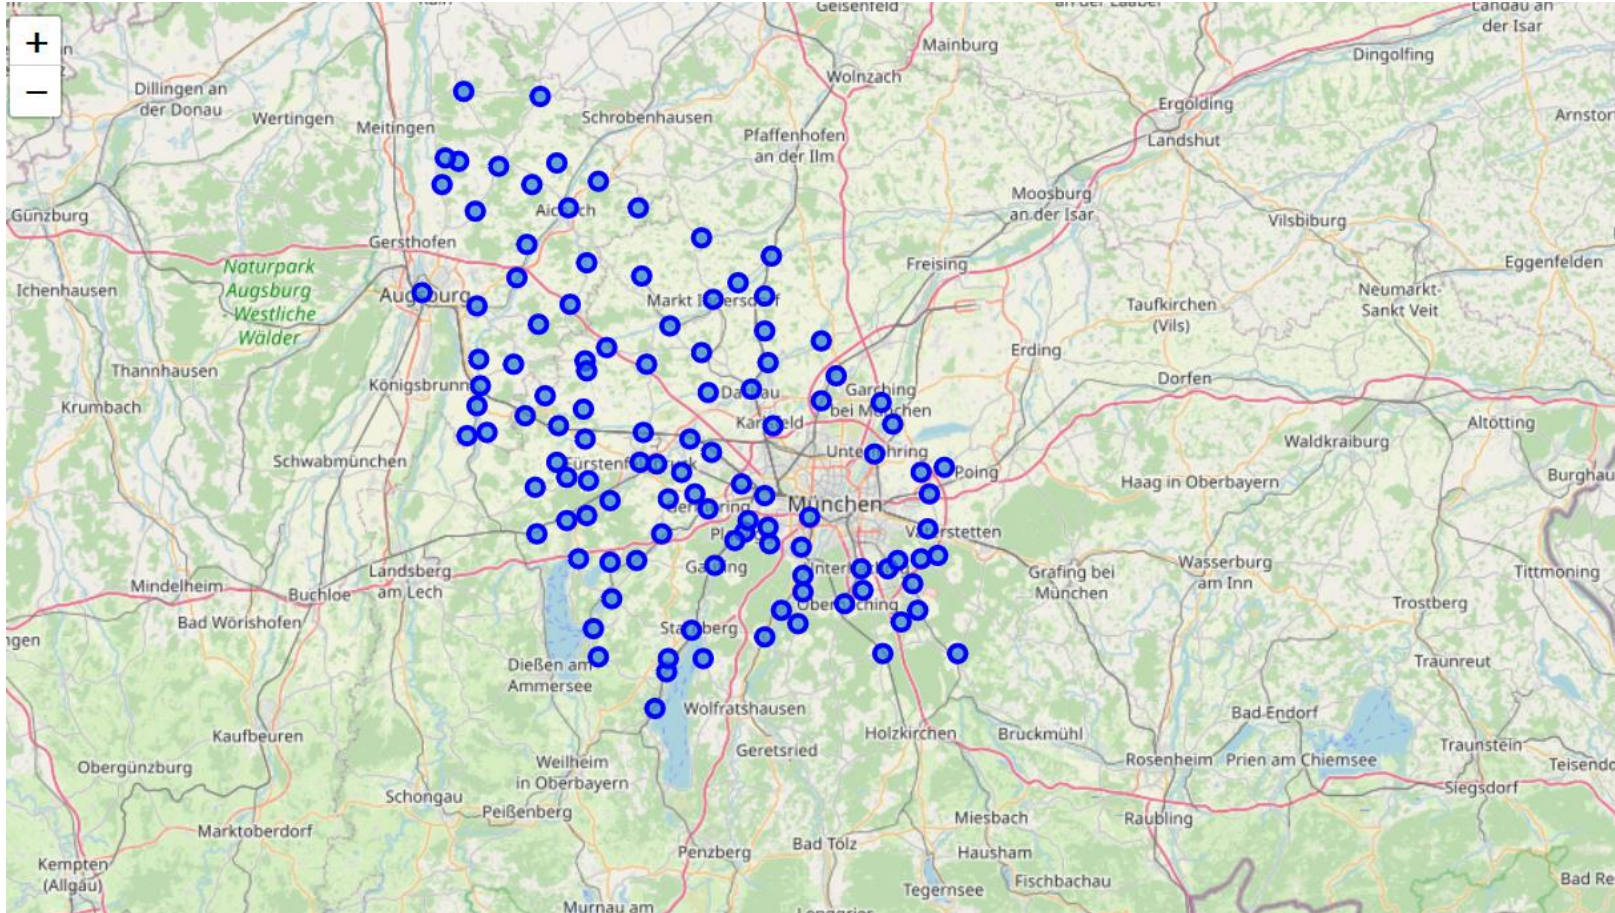

# Data acquisition

- <http://opendatalab.de/projects/geojson-utilities/>

# K-Means as Algorithm

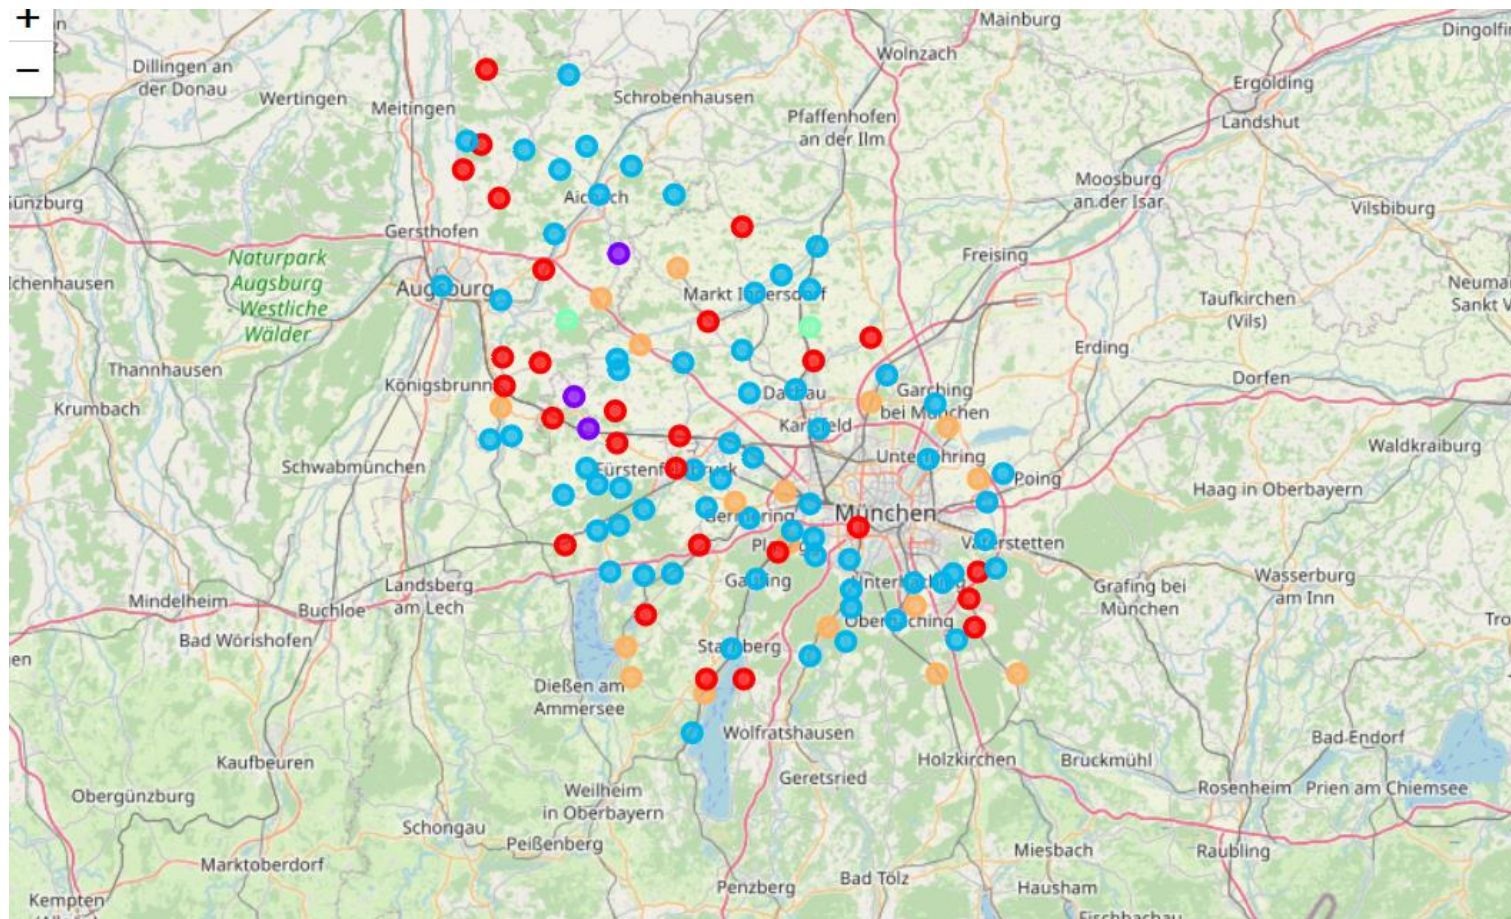

- Quick
- Easy
- reliable

# Overview Bavarian Cities

# After Clustering

# Thank you!

- Have a nice day!
